PGEC Enterprises, LLC strives to plan, construct, and complete all construction projects without damage to its customer's property. However; it is inherent in the construction process that conditions and unknown circumstances may result in some unintended damages. Property damage may also result from soil conditions, weather conditions and site conditions caused by others. It will be the property owner's responsibility to repair **any damages that may occur** during the construction or maintenance of internet services. The property owner releases from liability and holds harmless PGEC Enterprises, LLC and/or any designated third party contractors, from any responsibility whatsoever, for property damage in the course of construction or installation of internet services. This does not release PGEC Enterprises, LLC from responsibility for acts of negligence.

➤ **Responsibilities of the property owner:**

- ✓ **Must mark outer boundaries of a septic tank and a drain field which would be within 50 feet of the area PGEC Enterprises, LLC must construct facilities or mobilize equipment.**
